Quick meeting today as we had our mock Animal Shelter set up. Here are some of the items we went over before the set up:

Roy – We have received a couple of quotes for the t-shirts. Brochures are done and the posters are on their way.

Due to budgeting, we have decided to wait til next year to purchase pins for the years of service. We will be getting certificates for this year.

Roy sent an email to LL Bean to see if they would be interested in “donating” some backpacks to CCART. If they decide to donate, we are not 501c, therefore they will not receive a tax break. Waiting to hear back from them.

Notebooks are in for the SOP’s.

October 16 – Sacopee Valley middle School is the setting for the Tri-County Shelter Set-Up. Time will be from 8:00-5:00. This will qualify for the “state exercise” which we need to have each year.

Adele – Noah’s Wish – Joellen Simoneau will be bringing Noah’s Wish here June 3-5, 2011. Participation for us will be the 4th and 5th. It is up to us to find a location for this event (maybe something as large as the Cumberland Fairgrounds). They will provide the insurance for the facilities as we need to stay overnight. Theme next year for this event for the country will be Tornadoes! We need to have everything in place by Sept 10th.

Bonnie – Looking for more articles for the Newsletter. Also, in July, there will be a Community Day held at the Vet Clinic in Bridgton from 10-3. Stay tuned for the date!

6:15 – we headed outdoors for the shelter set-up

7:30 – Bonnie worked with the Supply Team to get a list of supplies going that need to be ordered so we’re prepared to take part in the Tri-County event in October.

Philip Roewer has generously donated a portable generator and a few walkie-talkies to CCART. THANK YOU VERY MUCH!!!!

Meeting adjourned 8pm.

Next meeting June 22nd, 6pm.
