CART Meeting Notes:
6/22/2010

Meeting called to order at 6pm.

Attendees: Roy Gorman, Bonnie Canfield, Karen Hawkins, Connie Herrick, Wendy Smith, Philip Roewer, Joanne Gartland, George Libby Sr, Carole Jean, Mary Kahl

Bonnie – List of supplies are in – she had a spreadsheet color coded with what we have, what came in recently and what we need.

Finances - \$3200 left from Grant

\$ 325 from Stipend

\$500 coming from Wild Land Fires

Roy – Shirts are in – some were distributed at this meeting.

Karen is working on a couple of things for us, one being the certificates for our September meeting and she is also working on a “card” for shots for the pets.

Cert Jamboree – don’t forget, coming up in Sept in Mt Vernon.

Bridgton Vet had the Pet Community Event on Sunday July 18th, nice article in the Portland Press about it. (sorry this is late getting to everyone.....this should have been worded as an upcoming event).

We can now accept checks and/or products, but we need to keep in mind and mention to those who would like to donate, that we are NOT tax deductible.

Cumberland Middle School – went to visit for Shelter set up. There were some concerns about setting up for pets, but in some correspondence with Don Foster, it appears it’s going to be ok to use the school for pet/human shelter. It has a greenhouse to use for exotics. Great set up all around for pets and people. School does not have a generator, but it’s set up for one.

Noah’s Wish – we still need to find a location to use. Roy is hoping to go talk to someone at the Cumberland Fairgrounds.

Bonnie wrote a short article and took pictures on our recent mock set up.

Wendy, Lisa, George, Connie – Logistics – Talked about the expensive items we have and that they should be signed out when in use. Inventory List will have item numbers on them. Boxes are labeled and itemized. Also trying to formulate what should be in a “Go Kit”.

Crates need to be “deodorized” from having sat wrong side up. Will need volunteers at some point. Try for July meeting, if weather is not good, try for August.

At 7:15 we did the de-briefing on our mock shelter set up.

8:00 meeting adjourned.

Joanne Gartland
Secretary
