Executive Summary

AP-05 Executive Summary - 91.200(c), 91.220(b)

1. Introduction

In program year 2018, the Cumberland County Community Development program will fund public facilities, infrastructure, housing, public services, planning, and administration with Community Development Block Grant (CDBG) funds from the U.S. Department of Housing and Urban Development. In order to select projects for funding, the program and its set-aside communities of South Portland and Bridgton, all conducted competitive grant application processes.

2. Summarize the objectives and outcomes identified in the Plan

This could be a restatement of items or a table listed elsewhere in the plan or a reference to another location. It may also contain any essential items from the housing and homeless needs assessment, the housing market analysis or the strategic plan.

2018 Cumberland County CDBG projects will address the primary objective of improving the quality of life for Cumberland County residents by providing decent affordable housing, creating suitable living environments, and creating economic opportunities.

The outcomes of projects undertaken to address this objective are anticipated to be:

- Improved infrastructure at sidewalks and streetscapes in Bridgton and South Portland’s West End, sewer and streetscape in South Windham Village, and the roadway at Carpenter Court in Scarborough

- New broadband access for Windham and Gray

- Improved recreation facilities, including the ballfield and skating rink in Bridgton, playground in Standish, recreation courts on Long Island, trails and gardens in South Portland, and Cornelia Warren Park in Westbrook.

- Upgraded and renovated facilities including the American Legion in South Portland and the Cumberland Food Pantry

- Improved housing for those with mobility issues and mental health challenges in Gorham, South Portland, and region-wide

- Improved housing safety for low-income homes in Harpswell
- Increased mobility and transit opportunities for seniors in Standish and South Portland

- Increased health and safety outcomes for victims of domestic violence in Bridgton and South Portland

- Reduced instances of homelessness and increased access to services and resources through the Homelessness Prevention Program, Navigator Program, and Redbank Hub

- Reduced instances of hunger through the Meals on Wheels and child school backpack programs

- Reduced instances of home heating emergencies through the heating assistance program in South Portland

- Reduced instances of childhood abuse and neglect, and increased community resiliency through the Redbank Neighborhood Hub in South Portland

- Increased recreation opportunities for low-income children through the Summer Camp Scholarships and Wheels for Kids programs in South Portland

- Planning for broadband expansion and opportunities for New Mainers, region-wide

3. Evaluation of past performance

This is an evaluation of past performance that helped lead the grantee to choose its goals or projects.

Since the Cumberland County program's inception, it has successfully funded improvements to public facilities and infrastructure, public services, housing rehabilitation, planning, economic development, and administration. The Cumberland County program encompasses a large geography in the most populous area of the state with a variety of urban, suburban, rural, and island communities. As a result, the program has focused on continuing to fund this broad range of activities to accommodate the diverse and varied needs of its jurisdiction.

4. Summary of Citizen Participation Process and consultation process

Summary from citizen participation section of plan.

Cumberland County, South Portland, and Bridgton all conducted open, public processes for grant selection. These multiple processes work to broaden public participation in the program by incorporating multiple communities and committees in the process.

Cumberland County's Application Review Team scored and ranked applications from 23 member communities. In addition to their other meetings, they held a public meeting on February 22, 2018 in
which applicants presented their projects to the Team and were available to answer questions. The Municipal Oversight Committee then reviewed and approved the Review Team’s recommendations at meetings in March 2018.

In South Portland the Community Development Advisory Committee (CDAC) reviewed applications, conducted a public hearing where applicants presented and answered questions about their request on February 26, 2018, and made recommendations to the City Council, which approved their recommendations in April 2018.

In Bridgton, the Community Development Committee reviewed public service applications and interviewed applicants on February 7, 2018 and developed funding recommendations for the Board of Selectmen. Staff and the BOS also developed funding recommendations for facilities and infrastructure projects.

All funding recommendations then went to public hearings before the County Commissioners on April 9, 2018 and April 23, 2018, receiving final approval on April 23rd. Public notice of these meetings and the public comment period was printed in the Portland Press Herald on March 26, 2018.

5. Summary of public comments

This could be a brief narrative summary or reference an attached document from the Citizen Participation section of the Con Plan.

At several meetings, applicants spoke in support of their programs and projects. During the South Portland committee review process, members of the public at the Heron Cove apartment complex spoke against the expansion of the trails at Long Creek.

The initial comments were received on February 26, 2018, during the public comment period of the CDAC Open Mic Night. Dr. Michael Delahunt spoke out against the proposed Land Trust trail. Mr. Delahunt expressed concerns for the safety of himself and his neighbors; he himself has had his home broken into while he was there. He also stated that local residents, walkers/hikers have been physically accosted, verbally threatened and are continually intimated by individuals and groups that have entered from Olde English village/ Westbrook street area of the trail. To mitigate some of the effects, the condominium association where he lives has erected a fence. Mr. Delahunt also emphasized his intention was to not obstruct the public from using the trail and enjoys the work that has been done by the Land trust in the past. Mr. Delahunt submitted his comments in writing as well.

Public Comment was also received by John Dwyer via phone and in person at the CDAC 3/5/2018 meeting regarding the Long Creek trail proposed by the Land Trust, in addition, Ms. Laurie Campbell also contacted my office both via email and in person at the 3/5/2018 CDAC meeting. Both currently reside in the neighborhood and oppose the project. Tom Blake a representative from the Land Trust, also spoke about the project and his wish to continue the ongoing relationship with Heron Cove. Both
representatives from Heron Cove and the Land trust met and identified problems and solutions between the two parties. As of April 2, 2018, both Heron Cove and the Land trust have come to an agreement and Heron Cove has given consent for the Land Trust’s project to proceed.

At the April 9th County Commissioners Meeting, representatives from AlphaOne spoke in support of their project. At the April 23rd County Commissioners Meeting representatives from Standish spoke in support of their projects.

6. Summary of comments or views not accepted and the reasons for not accepting them

All comments were accepted.

7. Summary

To develop its Action Plan, Cumberland County conducted a competitive application process for 23 of the member communities, and Bridgton and South Portland each conducted their own specific application processes for their set-aside funds. All 3 processes included public meetings, committee review, and public comment periods. The result of this process are plans to fund a variety of public infrastructure, facilities, housing, public services, and planning projects and administration in program year 2018.

Narrative

The Cumberland County Community Development program consists of 25 member communities, including the communities of Greater Portland, islands, the Lakes Region, and coastal towns. The City of Portland, the Town of Brunswick, and Frye Island (which has no year-round population) do not participate in the program; Portland has its own CDBG allocation, and Brunswick participates in the State CDBG program.

AP-10 Consultation - 91.100, 91.200(b), 91.215(l)

1. Introduction

Community Development staff consulted with many of the communities in our program jurisdiction, several regional organizations, and housing authorities in the creation of the Annual Action Plan.

Provide a concise summary of the jurisdiction’s activities to enhance coordination between public and assisted housing providers and private and governmental health, mental health and service agencies (91.215(l)).

In 2018, Cumberland County is funding several programs that link affordable housing and services.

1) Family Crisis Services will operate 2 programs, one in South Portland and one in Bridgton. The programs provide case management services to victims of domestic violence. Frequently victims require a combination of health, mental health, legal and housing services.

2) Port Resources will rehab 5 group homes in Gorham and 1 in South Portland for individuals with dual mental and behavioral health challenges.

3) The Opportunity Alliance will operate a Homelessness Prevention program throughout Cumberland County. The program intervenes either prior to or shortly after an individual or household becomes homeless, often providing short term rental assistance, utility security deposits and assistance with budgeting, employment and transportation. The program links vulnerable households to housing providers and/or housing vouchers.

Describe coordination with the Continuum of Care and efforts to address the needs of homeless persons (particularly chronically homeless individuals and families, families with children, veterans, and unaccompanied youth) and persons at risk of homelessness.

The City of Portland, a recipient of ESG and Continuum of Care funds, is the primary homeless services center in the region. Family, adult and teen shelters and services are located in Portland, none are located in the Cumberland County Entitlement Jurisdiction (CCEJ). State Continuum of Care resources are provided to individuals located in CCEJ communities at properties operated by Shalom House and through the Stability Through Engagement Program (STEP). STEP provides short-term rental assistance in a rapid re-housing type program accessed at family, individual and domestic violence shelters.

Describe consultation with the Continuum(s) of Care that serves the jurisdiction’s area in determining how to allocate ESG funds, develop performance standards for and evaluate outcomes of projects and activities assisted by ESG funds, and develop funding, policies and procedures for the operation and administration of HMIS.
Cumberland County is not a recipient of ESG funds.

**Narrative**

Cumberland County attempts to consult with all of its member communities in the development of the Annual Action Plan. Staff are available to meet with communities to discuss needs and project ideas or proposals throughout the year, and they reach out to communities to initiate these discussions. In addition to the communities identified in the chart, staff reached out to Cape Elizabeth, Gray, and Harrison, but those communities did not pursue further discussions. In identifying their needs and project proposals, our member communities consult with their residents and key community agencies/entities. Several regional organizations and agencies are also key in discussions of community needs and projects throughout the county.

1. Summary of citizen participation process/Efforts made to broaden citizen participation
   Summarize citizen participation process and how it impacted goal-setting

Cumberland County, the City of South Portland, and the Town of Bridgton each conducted their own public process to identify funding priorities. All meetings were open to the public.

Cumberland County had an open application process, in which a sub-group from the Municipal Oversight Committee (MOC) reviewed applications and made funding recommendations.

In South Portland, the Community Development Advisory Committee (CDAC) reviewed applications and made recommendations to the South Portland City Council for approval.

In Bridgton, the Community Development Committee (CDC) reviewed applications and made recommendations to the Board of Selectmen for approval.

All project selections then went to the County Commissioners for final approval on April 23, 2018.

**Expected Resources**

**AP-15 Expected Resources - 91.420(b), 91.220(c)(1,2)**

**Introduction**

Throughout the planning process, Cumberland County did not know its annual allocation amount. Initial plans were made assuming level funding from last year. For County projects, the Municipal Oversight Committee made the contingency recommendation that in the event that more funds were received than anticipated, the funds would go towards fully funding projects that were initially recommended for partial funding, in descending order of how they scored with the committee. If less funds were received, they recommended cutting funding from the lowest scoring projects in ascending order. For South Portland projects, the South Portland City Council made the contingency recommendation of proportionally decreasing all recommended projects to fit the actual budget, or increasing projects recommended for partial funding. In Bridgton, the Board of Selectmen recommended putting any increased funds into Lower Main Street, and any needed decreases would come from admin.

Ultimately Cumberland County received increased funding in 2018 and adjusted project budgets accordingly.

*Explain how federal funds will leverage those additional resources (private, state and local funds), including a description of how matching requirements will be satisfied*

There are no Federal matching requirements for CDBG program funds. Many activities funded by the CCEJ are matched by at least 20% from local or private sources.

*If appropriate, describe publically owned land or property located within the jurisdiction that may be used to address the needs identified in the plan*

Cumberland County does not intend to address the needs identified in the plan with publically owned land or property located within the jurisdiction.

Introduction

The Community Development Block Grant (CDBG) program will enable Cumberland County to channel $1,555,237 of new 2018 funding resources into public facilities and infrastructure, housing, and social services to benefit low/moderate income communities and residents.

With its 2018 CDBG program allocation and reprogrammed funds, Cumberland County plans to expend $1,030,569 for Public Facilities and Infrastructure, $191,450 for Housing Activities; $172,559 for Social/Public Services; $34,000 for Planning Activities; and $220,000 for Program Administration.

In total, 100% of the new and reprogrammed CDBG project funds (excluding planning/admin activities) will serve low and moderate income persons, either directly through services or indirectly by improvements to low and moderate income neighborhoods.

Table 7 – Project Information

Describe the reasons for allocation priorities and any obstacles to addressing underserved needs

The Cumberland County Community Development program maintains broad priorities of public infrastructure and facilities, housing, public services, and planning, in order to meet the needs of variable and diverse communities. The jurisdiction includes cities, suburban and rural communities, and islands, all of which have different needs and priorities for which they seek CDBG funding. The program continues to set-aside funds specifically for South Portland and Bridgton annually, based on agreements made in 2006 when the Cumberland County Community Development program was launched.

The largest obstacle to addressing needs is the amount of funds. Request for funds always exceed available resources, and the amount of funding each year continues to diminish, while community needs do not.

Table 8 - Geographic Distribution
Rationale for the priorities for allocating investments geographically

1) South Portland receives a set-aside of CDBG funds. Redbank, or the West End, is the poorest neighborhood in the city: over 80% of households are low-income and predominantly rental housing. The city will focus its resources on improving Westbrook Street in this neighborhood, as well as continuing to fund the Redbank Hub resource center.

2) Bridgton also receives a set-aside of CDBG funds. 48% of households in the town are low-income. The community is concentrating efforts to improve public facilities like the skating rink and recreation fields, and the infrastructure in its downtown on Lower Main Street, where 53% of households are low income.

3) Funds distributed throughout Cumberland County for access ramps and public services income-qualify clients or households individually.

4) Funds distributed to other towns in the county are for projects in income-eligible block groups or communities. This year those include the Towns of Long Island, Standish, Windham, and Westbrook all of which qualify as low-income areas.

Discussion

The Cumberland County Entitlement Jurisdiction has two municipal set-aside grantees - the Town of Bridgton and the City of South Portland. Funds are always distributed within these two communities. Both are utilizing their funds in locations most in need of investment. The program also utilizes resources for "regional" activities, i.e. Homeless Prevention and AlphaOne Access Ramps. Broadband installation will be focused on the towns of Gray and Windham as phase I of the Project: Connect Cumberland to bring broadband to all of Cumberland County. Funds will also be used in income eligible areas in Long Island, Windham, Westbrook, and Standish.
AP-75 Barriers to affordable housing -91.420, 91.220(j)

Introduction

As housing prices rise in the City of Portland, other communities in the County are seeing increased housing demands. New developments are underway or proposed in many communities in the Greater Portland area including Scarborough, South Portland, Gorham, Windham, Falmouth, and Westbrook.

The largest barriers to affordable housing in the Cumberland County entitlement jurisdiction (as identified in the Five Year Consolidated Plan) are zoning and affordability of land for development.

Actions it planned to remove or ameliorate the negative effects of public policies that serve as barriers to affordable housing such as land use controls, tax policies affecting land, zoning ordinances, building codes, fees and charges, growth limitations, and policies affecting the return on residential investment

Cumberland County does not have the authority to change land use controls, zoning, or policy in its member municipalities. However Cumberland County will continue to work on collaborative regional projects to promote affordable housing development. Recent examples of regional planning efforts include the HUD Sustainable Communities Program, which developed a regional fair housing plan in August, 2013, including regional activities to affirmatively further fair housing. The County will also work with the City of Portland and the region's Housing Authorities to complete a new fair housing plan by 2020. Cumberland County also has HOME funds for housing development available for member communities and has contributed to affordable housing infrastructure costs with CDBG over the years.

Discussion

Though Cumberland County does not have jurisdiction over policy that could remove barriers to affordable housing, the Community Development program will continue to support affordable housing projects and contribute to regional planning efforts.
**AP-85 Other Actions - 91.420, 91.220(k)**

**Introduction**

The Cumberland County Community Development program funds activities to foster and maintain affordable housing, provide social services to low-income individuals and families, and improve public facilities and infrastructure in low-income neighborhoods and communities.

**Actions planned to address obstacles to meeting underserved needs**

The principle obstacle to meeting underserved needs is financial. The program has minimal resources relative to the enormity of the task at hand. Given available funds, they are expended wisely to meet basic needs, enhance facilities and infrastructure, and improve housing conditions.

**Actions planned to foster and maintain affordable housing**

1) Alpha One - Critical Access Ramps for home-bound or mobility-impaired individuals

2) Housing rehab/energy efficiency programs in South Portland

3) Rehab of Port Resources group homes in Gorham and South Portland

4) Completion of the road infrastructure at Carpenter Court, a Habitat for Humanity affordable housing development in Scarborough

**Actions planned to reduce lead-based paint hazards**

As part of the HOME Consortium with the City of Portland, Cumberland County is participating in a Lead Hazard Control Grant received in 2016. In the county, Westbrook is a priority area because of its high low-income population and large amount of multi-unit rental housing. All other housing activities funded by CDBG also comply with lead-based paint regulations.

**Actions planned to reduce the number of poverty-level families**

The reduction of the number of poverty-level families has proven a difficult challenge to meet for decades - not simply in Cumberland County but throughout the country. Every activity we fund in some way serves to assist low-income individuals and families. 1) Our homeless prevention program works to keep families housed; 2) The Redbank Resource HUB in Redbank, South Portland and the Navigator at the Bridgton Community Center serve to foster connections between families, educational resources, job training and basic needs; 3) The Alpha One Critical Access Ramps program works to reduce housing costs and maintain individuals in their homes.
**Actions planned to develop institutional structure**

No actions are planned to further develop institutional structure.

**Actions planned to enhance coordination between public and private housing and social service agencies**

The Opportunity Alliance, the regional Community Action Program and our public housing and private non-profit affordable housing providers have been working together for decades. "Enhanced" coordination has not been identified as a particular need at this time.

Program Specific Requirements
AP-90 Program Specific Requirements - 91.420, 91.220(l)(1,2,4)

Introduction

Cumberland County has no program income to reprogram, section 108 loan proceeds, surplus funds from urban renewal, income from float funded activities, or grant funds returned to the line of credit. There are no funds designated for the urgent need national objective. All projects, excluding planning and administration, will benefit persons of low-moderate income.

Community Development Block Grant Program (CDBG)
Reference 24 CFR 91.220(l)(1)
Projects planned with all CDBG funds expected to be available during the year are identified in the Projects Table. The following identifies program income that is available for use that is included in projects to be carried out.

1. The total amount of program income that will have been received before the start of the next program year and that has not yet been reprogrammed 0
2. The amount of proceeds from section 108 loan guarantees that will be used during the year to address the priority needs and specific objectives identified in the grantee's strategic plan. 0
3. The amount of surplus funds from urban renewal settlements 0
4. The amount of any grant funds returned to the line of credit for which the planned use has not been included in a prior statement or plan 0
5. The amount of income from float-funded activities 0
Total Program Income: 0

Other CDBG Requirements

1. The amount of urgent need activities 0

2. The estimated percentage of CDBG funds that will be used for activities that benefit persons of low and moderate income. Overall Benefit - A consecutive period of one, two or three years may be used to determine that a minimum overall benefit of 70% of CDBG funds is used to benefit persons of low and moderate income. Specify the years covered that include this Annual Action Plan. 90.00%
Discussion

Except for planning and administration activities, all other activities (over 80%) will benefit persons of low and moderate income.

Comments from All Interested Parties

You are invited to attend public hearings to give your opinion on the proposed 2018 Annual Action Plan for the Cumberland County Community Development program. Beginning March 26, 2018 comments both verbal and written are invited and will be accepted until April 30, 2018.

For more detailed information on the CDBG program or to make a comment, contact Cumberland County Community Development Office, 142 Federal Street, Portland, Maine, 04101 or by telephone at 207-896-1909 or email at plstrang@cumberlandcounty.org.

The primary objective of Cumberland County Community Development program is the development of viable communities including decent housing, a suitable living environment, and expanding economic opportunities, principally for persons of low and moderate income and to aid in the prevention and elimination of slums and blight.

Funds for the Community Development Program come from the U.S. Department of Housing & Urban Development (HUD). Eligible activities include public infrastructure and facilities, housing development, rehabilitation and preservation, economic development, public services, planning and eligible administrative costs. Cumberland County will use at least 70% of Community Development Block Grant Funds (CDBG) either directly or indirectly to benefit persons of low to moderate income.

Chair
Cumberland County Commissioners
We, the undersigned, respectfully address the Community Development Block Grant Organization (CDBG) to recognize and acknowledge the concerns with regard to the ongoing safety and continued destruction of the Long Creek Trail with reference to the proposed consideration and discussion by the South Portland Land Trust (SPLT) of extending the trail over to the Olde English Village property to a new trailhead at the municipal pump station at Westbrook Avenue.

The undersigned would like to see the proposed extension stopped for a number of reasons, some of which are referenced below:

- Past routine use of the Long Creek Trail has contributed to local residents, walkers/hikers being physically accosted, verbally threatened, and continually intimidated by individuals and/or groups that have entered from the Olde English Village/Westbrook Street area.

- It has been observed by guests and local residents that, with the use of the trail, there has been destruction of property, profane graffiti, large numbers of beer and alcohol bottles, drug needles and paraphernalia, and trash that has been left behind by individuals seen returning to the Olde English Village/Westbrook Street area.

- There have been continued disruptive loud noises, fireworks explosions, violent verbal altercations, and profane shouting late in the warm weather evenings along the trail access and also profound damage on and to the private property of Heron Cove Association, Osprey Circle, and Brick Hill.

These are just a few of the facts for this trail extension to be halted.

It must be noted that all of the above issues and concerns have ceased for the 2017 spring, summer, and fall due to the fact that the Heron Cove Association erected a $14,000.00 fence to keep the trespassing from occurring.

It should also be noted it is not the intention to obstruct the public from use of this trail, but rather to maintain a safe and respected trail for all. There are other areas in which to access the Long Creek Trail which would be much less intrusive and will also serve to protect the safety and privacy to the residents that live in the adjacent communities.

It is with these expressed concerns that the following individuals ask the CDBG to not provide funding for this Long Creek Trail extension project that is being requested by SPLT.

The individuals that have signed below wish to enjoy the environs of the Long Creek Trail as it stands.

Good morning,

I attended the CDBG meeting last night and had a couple of questions.

1. Is it possible to get the names and contact information for the advisory committee members? If not, I assume any concerns with regard to an application would be addressed to you both?
2. Can I obtain a copy of the application and any supporting documentation submitted by a particular organization? Is it a matter of public record?
3. When does the advisory committee actually decide on which projects to recommend to the council?

Thank you.

Re: CDBG Meeting 2/26/2018 - Warren, Sandra

Good Morning Ms. Campbell,

The Community Development Block grant program is a public process and we welcome any and all public involvement. All of our advisory committee members names and contact information is available to the public. Our applications are also open to the public. I have attached a list of all of our current committee members names and contact information to this email, as well as the application submitted by the LandTrust. Due to the maximum size limit of 25MB per email, I cannot send you all of the applications in this one email. I would be happy to send them in separate emails if you would like? You can also access all of the applications submitted for this program year and our program schedule by going to the Community Development webpage, under the tab called CDBG Program information & applications.

Please feel free to come to any of our meetings. Our next meeting is scheduled for March 5, 2018. It will be held at the South Portland Community Center and begins at 6 pm. At this meeting, we will review current applications, discuss the presentations and compile our recommendation to be given to the city council for approval. Our recommendations would be presented at the March 20, 2018, council meeting. That being said, they are recommendations to the council, and the council can, therefore, change those recommendations accordingly.

Hi John,

I've reviewed the situation and support the petition.

I will try to attend the meeting but may be out of town.

If I'm unable to attend, I think it's important for the BOD to express to the Councillors the lack of notice to residents by the City.

Also, are you able to answer my questions that I asked in an earlier email? Does the trail cross land that the association owns. If so, doesn't the City require permission from Conmarunt Residents/Association?

Thank you,
Suzanne Telfian

Hi John,

It is ridiculous the trail is shown on the back side of the CP two-drivers. This is a very narrow area between their road and the marsh. Seems bizarre it is ever being considered. I will take action to support it, for now.

CUMBERLAND COUNTY COMMISSIONERS

STAFF REPORT

From: Maeve Piastre, Community Development Director

Date: April 23, 2018

Subject: 2018 CDBG & HOME Funding

The purpose of this report in advance of the April 23rd Commissioner’s Meeting is to:

1. Identify CDBG and HOME grant funds for 2018
2. Review the application process for selecting CDBG projects
3. Familiarize you with the projects and programs recommended for funding

Two public hearings will be held on the use of Community Development Block Grant (CDBG) funds for 2018: April 9th and April 23rd. Final vote by the Commissioners endorsing our 2018 HUD Annual Action Plan is scheduled for the April 23, 2018 meeting. The plan will be submitted to HUD by May 15th, or the appropriate deadline once the allocation is received from HUD.

Available Grant Funds for 2018

CDBG Allocation: The Cumberland County 2018 CDBG allocation from HUD has not yet been determined. Congress has passed the HUD budget with an increase to the CDBG program overall, so we expect a slight increase from last year. The total Cumberland County Community Development Block Grant (CDBG) allocation for 2017 was $1,390,296, and this was the number used to estimate the 2018 budget recommendations, which were finalized before the budget increase.

The MOC made contingency provisions for changes in funding from 2017. For an increase in funding they have recommended restoring funding to projects that were recommended for partial funding, in descending order of how they scored.

For the Cumberland County “non set-aside communities”, an additional $93,341 is available to reprogram from activities that utilized less funds than originally granted or returned funds.

The total allocation is divided into four components:

1. Total Administrative Costs: $220,000
   County Administration $140,000
   South Portland Administration $50,000
   Bridgton Administration $30,000
Cumberland County

2. County Community & Regional Grants: $668,193 (2018 allocation); $93,341 (re-programmed prior year funds): $761,524
3. Town of Bridgton Activities: $150,656
4. City of South Portland Activities: $351,457

I. Accepting and Selecting Applications

The process for selecting “county” (not South Portland or Bridgton) applications for 2018:

- Applications distributed October 30, 2017
- Application workshop November 14, 2017
- Pre-applications submitted by December 13, 2017
- Final applications submitted February 1, 2018

Following submission, applications were distributed to the Application Review Team. Team members were: Dick Brahs, Chair (North Yarmouth); Travis Kennedy, (Cumberland County); Tom Gruber (Cumberland); Scott Lafliamme (Yarmouth); Sandy Warren (South Portland & Cumberland County); Donna Larsen (Freeport).

Team members reviewed the applications and assigned scores based upon established criteria. Applicants met with the review team on February 22nd to briefly present their projects and answer questions.

**General Program Applications**
- Project description – 10 points
- Project management – 10 points
- Implementation schedule – 5 points
- Readiness to proceed – 20 points
- Need for the project – 20 points
- Need for CDBG funds – 15 points
- Budget – 5 points
- Distress score – 0-10 points
- Multi-jurisdictional bonus – 5 points

**Planning Program Applications**
- Description of problem – 35 points
- Strategy to complete planning project – 30 points
- Readiness to proceed – 30 points
- Multi-jurisdictional bonus – 5 points
Cumberland County

Raw scores were totaled and converted to ordinal rankings for each reviewer. The ordinal rankings were averaged across all scorers to form a total group ranking. This rank order of projects, 1 to 15 (and 3 planning grants), became the working list. The result of the collective rank order of applications became the basis for the allocation of funds.

II. Projects, Programs & Activities Recommended for Funding

The Municipal Oversight Committee (MOC) recommends 15 grants for funding to the County Commissioners. Of these, five are region-wide activities and ten are community-based projects. One of the community-based projects serves multiple communities.

The City of South Portland continues to operate their CDBG program much as they did prior to relinquishing HUD Entitlement status in 2007. Coordination between South Portland and the County, particularly on administrative matters occurs on a regular and on-going basis. Sandra Warren serves as the Community Development Coordinator in both Cumberland County and South Portland. South Portland finalized its selection of CDBG funded programs, projects and activities at their City Council meeting on April 3, 2018.

HOME Program Consortium

All the communities of Cumberland County including Portland, Brunswick and the 25 members of our Community Development program have formed the City of Portland/Cumberland County HOME Consortium. Portland serves as the lead entity for the Consortium. All administrative and program delivery services are conducted by the City.

Unlike CDBG, HOME funds can only be used for four housing activities: housing rehabilitation, home ownership assistance, tenant based rental assistance and new construction of rental or ownership housing.

Estimated 2018 funds = $119,553
- Housing Rehabilitation $100,000
- Affordable Housing Development $166,350
- CHDC $53,203

Like CDBG, the HOME budget has been increased this year, though we have yet to receive our final allocation. Upon receiving our final allocation number, the proposed HOME budget will be adjusted proportionally.

The plan will be submitted to HUD by May 15th, or the appropriate deadline once the allocation is received from HUD.

------------------------------

The purpose of this memo, in advance of the April 9th Commissioner’s Meeting is to:

1. Identify CDBG grant funds for 2018
2. Review the application process for selecting CDBG projects
3. Familiarize you with the projects and programs recommended for funding

Available Grant Funds for 2018

CDBG Allocation: The Cumberland County 2018 CDBG allocation from HUD has not yet been determined. Congress has passed the HUD budget with an increase to the CDBG program overall, so we expect a slight increase from last year. The total Cumberland County Community Development HUD/CDBG allocation for 2017 was $1,390,258, and this is the number used to estimate the 2018 budget recommendations, which were finalized before the budget increase.

The MOC made contingency provisions for changes in funding. For an increase in funding they have recommended restoring funding to projects that were recommended for partial funding, in descending order of how they scored.

For the Cumberland County 'non set-aside communities', an additional $93,341 is available to re-program from activities that utilized less funds then originally granted or returned funds.

The total allocation is divided into four components:

1. Total Administrative Costs: $220,000
   - County Administration: $140,000
   - South Portland Administration: $50,000
   - Bridgton Administration: $30,000

2. County Community & Regional Grants: $668,183 (2018 allocation); $93,341 (re-programmed prior year funds); Total = $761,524

3. Town of Bridgton Activities: $150,656
I. Accepting and Selecting Applications

The process for selecting "county" (not South Portland or Bridgton) applications for 2017 was basically the same as it's been for the past six years.

- Applications distributed October 30, 2017
- Application workshop November 14, 2017
- Pre-applications submitted by December 13, 2017
- Final applications submitted February 1, 2018

Following submission, applications were distributed to the Application Review Team. Team members were: Dick Brobst, Chair (North Yarmouth); Travis Kennedy, (Cumberland County); Tom Grubor (Cumberland); Scott LaFlamme (Yarmouth); Sandy Warren (South Portland & Cumberland County); Donna Larson (Freeport)

Team members reviewed the applications and assigned scores based upon established criteria. This year's application and scoring system was unchanged from prior years, again affording an opportunity for applicants to present to the Review Team. Applicants met with the review team on February 22nd to briefly present their projects and answer questions.

Raw scores were totaled and converted to ordinal rankings for each reviewer. The ordinal rankings were averaged across all scorers to form a total group ranking. This rank order of projects, 1 to 15 (and 3 planning grants), became the working list. With limited exception, the result of the collective rank order of applications became the basis for the allocation of funds.

II. Projects, Programs & Activities Recommended for Funding

The Municipal Oversight Committee (MOC) recommends 15 project/program grants for funding to the County Commissioners. Of these, five are region-wide activities and ten are community-based projects. One of the community-based projects serves multiple communities.
“Cumberland County CDBG”: Projects, Programs & Activity Funding

CDBG funds awarded: $761,524
2017 Program Funds $668,183

Housing $ 169,480
Planning $ 21,836

County Administration $ 140,000

Project & Funding Recommendations

Public Services
Harpwell - Smoker/Co Detectors $ 2,000
Installation of smoke and carbon monoxide detectors at income-eligible homes in the Town of Harpwell.

Stamford - Parks & Recreation Van $ 18,000
Purchase of a van for transportation for youth and older programs, including after school programs, community events, and recreation.

The Opportunity Alliance (TOA) - Homelessness Prevention $ 75,000
Case management and one-time financial assistance supporting clients at-risk of homelessness or experiencing homelessness.

Housing
Alpha One - Critical Access Ramps $80,000
Alpha One installs ramps at the homes of handicapped or elderly Cumberland County residents who otherwise would be severely hindered from, or unable to, leave their homes.

Gothen - Port Resources Group Homes $ 71,480
Port Resources, a non-profit that serves mentally and developmentally disabled adults, seeks to rehab their 5 group homes in the Town of Gothen, including roofing, carpeting, windows, and boiler replacements.

Scarborough - Carpenter Court Paving $ 18,000
Final paving for Carpenter Court, the roadway into the Habitat for Humanity affordable housing development off of Broadwood Road in Scarborough.
Public Facilities

Cumberland – Food Pantry Refrigerator & Walk-in Freezer  $ 23,000
The Cumberland Food Pantry, which serves Cumberland, North Yarmouth, Pownal, and New Gloucester, is relocating to a larger space and is seeking to purchase a walk-in refrigerator and freezer with CDBG funds.

Long Island – Recreation Courts $ 5,000
Repair and resurfacing of tennis and basketball courts on Long Island, as well as installation of a new pickle ball court.

Saugus – Playground Construction $ 53,600
Installation of new playground equipment at Memorial Park.

Westbrook – Corinna Warren Park $ 50,000
Trail, signage, landscaping, and parking improvements at the Corinna Warren Park in downtown Westbrook.

Westbrook – Walker Memorial Library Windows $ 40,000
Installation of storm windows and replacement of stained glass windows at the historic Walker Memorial Library in downtown Westbrook.

Public Infrastructure

Cumberland County – Broadband Infrastructure $141,308
Funding for broadband installation from Roody’s Corner in Windham to downtown Gray, as part of larger county-wide broadband project "Project: Connect Cumberland."

Windham – Depot Street Sewer & Sidewalk $165,500
Sewer and street improvements on Depot Street in South Windham Village.

Planning

Cumberland County – Broadband Planning $12,636
Planning for Cumberland County’s Project: Connect Cumberland, which seeks to install broadband throughout the county. Activities would include mapping existing fiber, identifying priority locations, and recommending an operating entity configuration for the utility.

The Opportunity Alliance (TOA) – Cultural Broker Assessment $ 9,000
An evaluation and creation of a replicable model of TOA’s "Cultural Broker" program, which assists new Mainers in accessing resources and integrating into the community.

Bridgton & South Portland Programs

The program and activities conducted in the two set-asides communities of Bridgton and South Portland are integral components of the Cumberland County Community Development program. While not participants in the County application competition, their projects, activities, funds, planning, administration and regulatory compliance are integrated with the County’s program.
### Town of Bridgton:

**Estimated 2018 Set-Aside Allocation**: $180,656

- **Program Administration**: $30,000
- **Public Facilities**: $133,316
  - Lower Main Street Re-construction: $53,316

  - Family Crisis Service: $6,000
  - Community Center Navigator Program: $6,340
  - School Backpack Food Program: $5,000

### City of South Portland:

**2017 Set-Aside Allocation**: $401,457

The City of South Portland continues to operate their CDBG program much as they did prior to relinquishing HUD Entitlement status in 2007. Coordination between South Portland and the County, particularly on administrative matters occurs on a regular and on-going basis. Sandra Warren serves as the Community Development Coordinator in both Cumberland County and South Portland. South Portland finalized its selection of CDBG funded programs, projects and activities at their City Council meeting on April 3, 2018.

Program Administration $50,000

**HOME Program Consortium**

All the communities of Cumberland County including Portland, Brunswick and the 25 members of our Community Development program have formed the City of Portland/Cumberland County HOME Consortium. Portland serves as the lead entity for the Consortium. All administrative and program delivery services are conducted by the City.

Unlike CDBG, HOME funds can only be used for four housing activities, housing rehabilitation, home ownership assistance, tenant based rental assistance and new construction of rental or ownership housing.

Upon receiving our final allocation number, the proposed funding will be adjusted proportionally. The HOME budget has been increased this year as well.

**Estimated 2018 funds = $319,553**

- Housing Rehabilitation $100,000
- Affordable Housing Development $166,350
- CHDO $53,203
MEETING MINUTES: March 12, 2018
MEETING LOCATION: Falmouth Town Hall

Attendees: Dick Brobst (Chair (North Yarmouth), Deborah Cabana (Gray), David Galbraith (Gorham), Travis Kennedy (Cumberland County), Tom Gruber (Cumberland), Brian Dudley (Long Island), Marty Szydlowski (Brunswick Housing), Scott LaFlamme (Yarmouth), Tom Bartell (Windham), Theo Holtwick (Falmouth), Donna Larson (Freeport), Ronda Jones (Portland), Sandra Warren (South Portland), Brenda Day (Bridgton), Jen Derice (Standish), Greg Sirpis (Standish), Art Howe (Harpswell)

Staff: Maeve Pistrang, Cumberland County Community Development Director, Sandra Warren South Portland/Cumberland County Community Development Coordinator.

1. Welcome & Introductions: 13 members were present and a quorum was reached. The meeting began at 2:05PM.

2. Tour of Falmouth Food Pantry, recipient of 2014 CDBG Funds: Dorothy Blanchette, Volunteer Director for the Falmouth Food Pantry spoke to the committee regarding the benefits of the CDBG funds to the pantry, and how their project made providing food assistance to individuals easier and more accessible. Tom Gruber mentioned how phenomenal Dotty’s program is and how the Town of Cumberland used Dotti’s success to model his own program for the Town of Cumberland.

Maeve noted that if anyone was interested in hosting an MOC meeting and highlighting a project in their community, to please contact her.

3. Nomination / Election of 2019 Committee Chair. The committee nominated Dick Brobst for Chair. Tom Gruber motioned, and Travis Kennedy Seconded. The group unanimously approved the appointment. Tom Gruber was nominated for Vice Chair and Travis Kennedy Seconded that motion. The group unanimously approved the appointment.

4. Ronda Jones from Portland spoke about the use of HOME Consortium funds in the county for housing rehab. She also spoke about the $1.8 million Lead grant the HOME Consortium received from HUD to provide financial assistance to local landlords and property owners to conduct lead abatement. The program anticipated using these funds to assist 88 units over the course of a three-year period. To date they have approved over 55 applications since June...
of 2017, less than a year into the program. With more applications to still process they are well beyond their original goals of just 88 units. They will try to assist as many units as possible and plan on applying for another lead grant in the future. The need for lead abatement is highest, in Portland and Westbrook, which both have the highest densities of rental units in the county. Maeva spoke about the HOME Consortium Affordable housing development, and CHIDO funding requirements.

5. The proposed HOME budget for MOC approval at the March 20, 2018 meeting would be $100,000 for housing rehabilitation/Home ownership, $166,350 for Affordable Home Development and $53,233 for CHIDO. Total request $319,583.

6. CDBG Recommendations: Dick Brobst, chair of the review team, outlined the team’s process for making its recommendations. The group particularly discussed projects that were recommended for reduced or no funding. Theo asked the review committee if applicants were meeting the match requirements. The review committee as a whole agreed that the applicants were meeting or exceeding the match requirements. Theo also wanted to know information about why broadband applied for a planning grant and construction funds at the same time. Travis Kennedy explained that the planning grant was separate from the construction and would be used to establish an entity for the continued operations of the utility after construction was complete. The group discussed that the Westbrook Library Windows ranked the highest and yet did not receive full funding. Dick Brobst spoke to this as he was one of the reviewers that felt it should not receive full funds, because only Westbrook residents were able to use the library. Theo also noted that this year Public Services requests were below the cap amount. Maeva indicated this was in part because Family Crisis Services was unable to spend their entire FY17/18 grant and as a result did not apply for funds for this year.

7. The Group discussed Contingency Provisions for the funding once the final CDBG allocation is known:
   
   a. In the event of an increase in funding, add funding back into Westbrook Library and then Windham Depot Street.
   
   b. In the event of a decrease in funding, subtract funding from the lowest scored applications in ascending order.

Tom Gruber also suggested partially funding the Harpswell Home Generator project if possible. Donna Larson noted that Freeport may be returning some weatherization funds to the program that could go toward that project.

The group agreed to discuss these contingencies at the next meeting.

8. The meeting adjourned at approximately 3:00PM.
MEMORANDUM

FROM: Dick Brobst, Chair and Members of the Application Review Team
TO: Municipal Oversight Committee (MOC)
DATE: March 12, 2018
RE: Recommendations for Project Selection and Funding

Introduction

Application Review Team members:
- Read 18 applications
- Listened to presentations and asked questions at the applicant presentation session
- Scored each application independently
- Conducted a final review session.
The team is recommending what it feels will be a group of excellent projects.

Funding Level

Cumberland County’s 2018 CDBG allocation is not final yet. Based on last year, we are projecting an allocation of $1,300,296. After subtracting administration and set-aside grants, $781,524 is projected to be available for County grants.

Application Review Team

Our Application Review Team (ART) - 2018

- Dick Brobst (North Yarmouth)
- Travis Kennedy (Cumberland County)
- Tom Gruber (Cumberland)
- Sandra Warren (South Portland)
- Scott LaFlamme (Yarmouth)
- Donna Larson (Freeport)

Review Method

Program applications were posted on Cumberland County’s Community Development CDBG webpage the first week of February of 2018 and remain available for review at: http://www.cumberlandcounty.org/CD/cdbgapps.htm. A summary of the applications is also on the website.

- General Program Applications:
  - Project description..................................10 points
  - Need for the project..................................20 points
  - Project management.................................10 points
  - Readiness to proceed...............................20 points
• Implementation schedule.................................... 5 points
• Project budget............................................... 5 points
• Demonstration of need for CDBG funds................... 15 points
• Distress score............................................... 0-10 points
• Multi-jurisdictional bonus............................... 5 points

- Planning Program applications:
  • Description of problem...................................... 25 points
  • Strategy to complete planning project.................. 30 points
  • Readiness to proceed...................................... 30 points
  • Multi-jurisdictional bonus............................... 5 points

Raw scores combined with community distress scores and multi-jurisdictional bonus points were totaled and converted to ordinal rankings for each reviewer. Team members did not score applications concerning their home communities. The ordinal rankings were averaged across scores to form a total group ranking. The composite rank order of projects, 1 to 15 for general program applications formed the initial ranking and basis for the review team’s selection recommendations. There were 3 Planning Grant applications.

The first session to receive grant applications was held February 8, 2018. The applicant presentation session occurred on February 22nd at the Windham Town Office. Every applicant took advantage of the opportunity to meet with the ART. Applicants had 5 minutes to explain their project and further expand on their application. 5 minutes were granted to answer questions from reviewers.

A final review session was held on March 1, 2018. The objective of this session was to develop the list of projects to be funded along with recommended funding awards. Following discussion and analysis, the group reached consensus on the recommendations for program funding to be considered by the MOC.

Recommendation

The ART is recommending thirteen General Program applicants and two Planning Grants for funding.

Total funds to be awarded: $761,524

- Funding by project type:
  • Public Service $ 5,000
  • Public Facilities/Infrastructure $475,408
  • Housing $169,480
  • Planning $ 21,636

  Total $761,524
General CDBG Program Funding Recommendations (in alphabetical order)

1) AlphaOne – Critical Access Ramps (Region-wide) $80,000
2) Cumberland – Food Pantry Refrigerator & Freezer $20,000
3) Cumberland County – Broadband Installation $141,308
4) Gorham – Port Resources Group Homes $71,480
5) Harpswell – Smoke/CO Detectors $2,000
6) Long Island – Recreation Courts $5,000
7) Scarborough – Carpenter Court Paving $18,000
8) Standish – Parks & Rec Van $18,000

10) The Opportunity Alliance – Homelessness Prevention (Region-wide) $75,000
11) Westbrook – Cornelia Warren Park $50,000
12) Westbrook – Walker Memorial Library Windows $40,000
13) Windham – Depot Street Sewer & Sidewalk $185,500

Total General Program Grants: $739,888

Planning Grant CDBG Funding Recommendations

TOA Cultural Broker Assessment $9,000
Cumberland County Broadband Planning $12,636

Total Planning Grants: $21,636

Total CDBG Recommendations: $761,524
Contingency Provisions:

HUD does not yet have a final 2018 budget. The ART recommends that when the final funding allocation is received:

1) In the event of an increase in funding, add funding back in to Westbrook Library and then Windham Depot Street.

2) In the event of a decrease in funding, subtract funding from the lowest scored applications, in ascending order.

3) If funds are returned to the program from Freeport Weatherization, put them towards Harpswell generators (current Freeport balance = $21,395)
CUMBERLAND COUNTY – COMMUNITY DEVELOPMENT PROGRAM
MUNICIPAL OVERSIGHT COMMITTEE

MEETING MINUTES: March 20, 2018
MEETING LOCATION: Westbrook City Hall

Attendees: Dick Brobst- Chair (North Yarmouth), Kathy Tombarelli (Gray), Travis Kennedy (Cumberland County), Marty Szydlowski (Brunswick Housing), Scott LaFlamme (Yarmouth), Tom Bartell (Windham), Theo Holtwick (Falmouth), Mary Davis (Portland), Sandra Warren (South Portland), Bob Peabody (Bridgton), Kris Tucker (Standish), Suzie Buck (Standish), Greg Sirpis (Standish), Terri Sawyer (Harspwell), Matt Sturgis (Cape Elizabeth), Jay Chace (Scarborough), Jerre Bryant (Westbrook)

Staff: Maeve Pistrang, Cumberland County Community Development Director, Sandra Warren South Portland /Cumberland County Community Development Coordinator.

1. Welcome & Introductions: 14 voting members were present and a quorum was reached. The meeting began at approximately 2:00PM.

2. HOME Budget: Mary Davis reviewed the proposed budget. The budget is based on last year’s allocation assuming level funding as we have not received final funding information yet for 2018. Once we do receive the actual funding number the budget will be adjusted proportionally up or down depending on the allocation. Theo moved to accept the budget proposal, Greg seconded. The group approved the budget 14-0.

3. Westbrook CDBG projects: Jerre Bryant gave an overview of the projects the CDBG program has funded in Westbrook over the years including the Community Center, Highland Lake Grange, demolition of Maine Rubber, downtown Bridge Street improvements, City Hall handicap access, Community Policing, and My Place Teen Center.

4. CDBG recommendations: Dick discussed the review team’s work and noted that there were a lot of great applications and the group was not able to fund them all. Greg made a motion to approve the recommendations. Theo asked to discuss the contingency provisions first. The provisions were:

1) In the event of an increase in funding, add funding back in to Westbrook Library and then Windham Depot Street.
2) In the event of a decrease in funding, subtract funding from the lowest scored applications, in ascending order.

3) If funds are returned to the program from Freeport Weatherization, put them towards Harpswell generators (current Freeport balance = $21,395)

Theo requested more clarity on #1 and #2. Maeve clarified that any funds above what was estimated would go towards fully funding Westbrook Library Windows. Once that reached its maximum, additional funds would go towards Windham Depot Street until funds ran out or reached the maximum, and so on in descending order. For #2, funds would be eliminated from the lowest scoring projects until it eliminated the project or all funds were accounted for in ascending order starting with Harpswell Smoke Detectors, then Broadband Installation, and so on.

The group discussed #3. Maeve clarified that Freeport still anticipates using about half of the balance this summer. The group agreed to not support #3 as it did not follow precedent for how returned funds have been treated in the past, and the Harpswell project scored the lowest of all the applications.

Greg amended his motion to incorporate the clarifications of #1 and #2 and to eliminate #3. Scott seconded the motion. The group approved the recommendations 12-0.

5. Review Team follow up meeting: Theo suggested that the Review Team reconvene to discuss any recommendations or insights they have about the process and the program to then share with the larger group at the next MOC meeting.

6. Broadband project: Dick asked Travis to tell the group more about the County’s broadband plans. Travis spoke about the project, its goals, stages, and challenges. Greg said he is particularly interested in being involved and is supportive of the project. The group talked about pricing and the benefits of a municipally-owned system. Kris brought up net neutrality and asked the group whether they would commit to requiring it for the grant-funded project. Theo said it was not the role of this group to make those decisions but to recommend the slate of projects for funding as a result of the review process.

7. Next Steps: Jay asked about the timeline and next steps for the funding. Maeve said the recommendations will go to the County Commissioners for a public hearing on April 8th and for final approval on April 23rd. Meetings will be at 5:30pm in the Feehey Room at the Cumberland County Courthouse. Staff will then submit the Annual Action Plan to HUD for final approval and the program year will start on July 1st. Maeve will update the group on the final funding number once HUD notifies her.

8. The meeting adjourned at approximately 3:10PM.

South Portland City Council

Position Paper of the City Manager

Subject:

ORDER #159-17/18 - Authorizing the City Manager to submit the FY 2018-2019 Community Development Block Grant Annual Action Plan to the Cumberland County Community Development Program. Passage requires majority vote.

Position:

Entering into its twelfth year as part of the Cumberland County Community Development Block Grant (CDBG) program, the South Portland CDBG program continues to receive a set-aside allocation of funds from the U.S. Dept. of Housing and Urban Development (HUD). This set-aside equals 23% of the amount of funding the City of Portland receives in CDBG funds. At this time, the funding amount for FY19 is unknown and so we are assuming flat funding ($401,457). In order for the funding to be approved, the City must adopt and submit the Annual Action Plan (annual budget) showing how funds will be allocated, and submit this plan to the Cumberland County Commissioners.

While Council has ultimate authority to adopt the Annual Action Plan, the initial requests for CDBG funding are vetted through the City’s Community Development Advisor Committee (CDAC). Requests must fall within one of three designated categories: 1) Public Services (15% cap), 2) Public Facilities/Infrastructure/Housing, and 3) Administration/Planning (20% cap). The CDAC received 18 requests for funding during the application period (October 30, 2017 – January 22, 2018) and on February 26, 2018 the committee met to review these requests and hear from the applicants and other members of the public. On March 5, 2018, the CDAC voted to partially or fully-fund 15 of the 18 requests. See attached documents for more details on the recommendations and projects.

In the event we do not receive level-funding, the committee recommends proportionally increasing or decreasing each funding request accordingly unless there is a cut of 20% or more, in which case they recommend staff come back to Council for further discussion and action. Once adopted by Council, Cumberland County will be responsible for submitting the City’s plan as part of the County’s Annual Action Plan no later than May 15, 2018.

Requested Action:

Council passage of ORDER #159-17/18

City Manager
IN CITY COUNCIL
ORDER #150-17/18

ORDERED, that the City Manager be and hereby is authorized to submit the South Portland Community Development Block Grant Annual Action Plan for FY 2018/19 to the County of Cumberland as authorized and submitted by the Community Development Advisory Committee.

Fiscal Note: $_____ - Revenue

Dated: April 3, 2018
CITY OF SOUTH PORTLAND

COMMUNITY DEVELOPMENT
ANNUAL ACTION PLAN

JULY 1, 2018 - JUNE 30, 2019

BACKGROUND

The City of South Portland receives Community Development Block Grant (CDBG) funds from the U.S. Department of Housing & Urban Development (HUD) via a set-aside from Cumberland County. The partnership with Cumberland County, which is entering its 11th year, continues to be successful for both parties. South Portland receives from Cumberland County 23% of the value of the total allocation that the City of Portland receives each year.

2018-19 FUNDING

At this time, HUD has not provided funding allocations for the 2018-19 fiscal year. On a positive note, the President signed the Consolidated Appropriation Act of 2018 finalizing the FY18 federal budget on Friday March 23, 2018. The following recommendations from the Community Development Advisory Committee (CDAC) assume level funding and use last year’s allocation number of $401,457. The Committee and staff recommends that the Council approve the current recommendations of the CDAC with the contingency provison that staff proportionally increase or decrease each grant recommendation to reflect the actual funding once that number is known, unless the cut is 20% or more. This approach is recommended by HUD and would ensure that the Cumberland County process and HUD submission schedule is not delayed, except in the event of a substantial cut.

PROJECT SELECTION

Funded projects must meet a national objective of benefiting low-moderate income persons or neighborhoods, eliminating slum/decay in the community, or addressing an urgent need such as a natural disaster. Eligible project activities include public facilities, infrastructure, housing rehabilitation, economic development, public services, planning, and administration. Public service activities are capped at 15% of the annual allocation amount and planning/administration activities are together capped at 20% of the annual allocation amount.

In order to identify specific projects, the Community Development department conducts a competitive grant application process for program funds. City of South Portland departments as...
well as external agencies apply through this process. Their applications are then reviewed by the Community Development Advisory Committee (CDAC), a group of 6 South Portland residents. The CDAC makes funding recommendations to the City Council for approval. This year’s schedule was:

- On October 30, 2017, the City of South Portland released the applications for FY 2018-19 funding. All applications were due to the Community Development office by January 22, 2018.
- On February 26, 2018, the CDAC held an initial review meeting and public hearing for applicants to present their proposals and answer questions.
- On March 05, 2018, the CDAC discussed applications and developed funding recommendations.
- On April 03, 2018, the South Portland City Council will conduct a public hearing on the proposed FY 2018-19 budget, and authorize the CDBG Program Coordinator to submit the FY 2018-19 Annual Action Plan to the Cumberland County Commissioners for their review and approval, and eventual submittal to HUD in May 2018.
- All meetings were noticed and open to the public.
DESCRIPTION OF PROJECTS

PUBLIC INFRASTRUCTURE/IMPROVEMENTS

American Legion
The Stewart P. Morrill American Legion Post located at 413 Broadway, South Portland, ME 04106 requested CDGB funds to assist them in making necessary roof repairs to their hall. The legion is eligible for funds as it is a city polling station and situated in a low-income census block. We did not provide the full amount of funding for this project, as the committee felt the cost for the roof repairs were a bit high based on the quote from Lowes submitted with the application by the American Legion.

Application Request: $24,174
CDAC Recommendation: $14,268

City of South Portland- Westbrook Street Improvements
The City of South Portland is requesting funds to assist with street improvement on Westbrook Street, in the area of Redbank and Brickhill. This road is in dire need of rehabilitation and identified in the West End Neighborhood Master Plan as a corridor of high priority for the community. Given the additional funding request this year the committee was not able to fully fund this project.

Application Request: $275,000
CDAC Recommendation: $225,000

City of South Portland Parks & Recreation- Healthy Landscapes
The parks & Recreation department, along with the sustainability office and pest management advisory committee are collaborating to create a Healthy Landscape Demonstration. This will serve as a model for South Portland Residents and businesses in the transition to sustainable land care practices as required by the pesticide use ordinance enacted in September 2016. The project will be located on a 1.0 acre lot owned by the city adjacent to the greenbelt in the pleasantdale community.

Application Request: $15,000
CDAC Recommendation: $15,000
South Portland Land Trust—Completion of Long Creek Trail
The South Portland Land Trust would like to provide the West End community access to the outdoors by finishing the Long Creek Trail. The Committee gave priority and funded the project because it benefits the West End community as whole. We do feel that it is important for the land trust to actively seek out the Haras Cove association and keep them apprised, by having ongoing meetings with the group.

Application Request: $15,000
CDAC Recommendation: $15,000

HOUSING

City of South Portland Housing Rehabilitation
This program will offer emergency repairs and heating system repair/replacement for single-family low-income households. This program is designed to assist approximately 2-3 households in 2018-19. There is a possibility to maximize the benefits of these funds, should the sustainability office receive grant funds from efficiency Maine.

Staff Recommendation: $10,000
CDAC Recommendation: $10,000

Port Resources
Port Resources is a nonprofit organization based in South Portland dedicated to empowering people with developmental and behavioral health challenges. They operate and manage 20 group homes. Port Resources is seeking grant funds to assist in purchasing a new boiler/burner and seven replacement windows at one of their South Portland group homes.

Application Request: $11,970
CDAC Recommendation: $11,970

South Portland Housing Development Corporation (SPHDC)
The SPHDC sought funds to make sewer and water connections for a new mixed-use apartment and commercial building at 611 Main Street. The committee gave this project a low priority and as a result did not fund out funding this project. This was important because the project was not shovel ready, and the project is contingent upon a Tax Credit application that will not be submitted, until the fall of 2018 for approval in the spring of 2019. We welcome the SPHDC to apply for funds next year, if they receive tax credit allocations to move forward with the project.

Application Request: $50,000
CDAC Recommendation: $0
PUBLIC SERVICES

The Public Service program provides funding to local public service activities that directly benefit citizens of South Portland. Eligible costs include operating expenses, staffing costs, equipment/supplies, and program materials. HUD caps public service programs to 15% of the County's entitlement funding. The City of South Portland shares this cap with the other communities in the Cumberland County program. South Portland's 2017-18 cap was $60,219.

Bus Passes
The South Portland Bus Service requested $8,100 to provide free 10-ride bus passes to help low income residents needing transportation to work, medical appointments, school and shopping. Given the competitive application process for this year and that, the CDAC has provided Mr. Handman with funding for the past 9 years, the CDAC felt this program would be able to provide some level of free bus pass services without the use of CDBG funds. Funds have been allocated to other project such as transportation for seniors.

Application Request: $8,100
CDAC Recommendation: $0

Community Paramedic Project
The South Portland fire department would like funding for a pilot program focused on conducting follow-ups on over doses, medical errors and mental health 911 calls. The Community Paramedic Project would work in conjunction with the South Portland police department's behavioral health liaison. The grant funds will help to assist in completing necessary milestones and performance measures to evaluate program viability and continuation of such a program.

Application Request: $25,000
CDAC Recommendation: $7,719

Domestic Violence Outreach Support Services
Family Crisis Services provide advocacy for domestic violence victims in South Portland, including home visits, crisis hotline assistance, emergency shelter, and assistance with court protection orders.

Application Request: $7,000
CDAC Recommendation: $6,500
**Heating Assistance**
The City of South Portland's heating assistance program has been administered since 2006. The program provides emergency relief to low-income households in need of heating assistance.

**Redbank Neighborhood Resource Hub – Hub Personnel**
This request provides partial funding for the staffing of the Resource Hub in the Redbank Neighborhood. Over 80% of households in the Redbank neighborhood are low-moderate income. The Hub works to promote neighborhood and community connections and governance with the ultimate goal of reducing the number of vulnerable families and child abuse cases. Community engagement opportunities created by the Hub include a summer breakfast program, neighborhood connection nights, a neighborhood farmer’s market, a weekly bread bank, English classes, after school activities, and resources and referrals to services.

**Senior Recreation Bus**
South Portland parks and recreation are seeking funds to pay administration cost for a new pilot program, to provide bus rides to seniors. This program would utilize the departments current 16 passenger bus, and use that bus to expand the current transportation program to transport senior’s from their homes to recreation and leisure activities located at the community center. The goal of this program is help get those seniors that would otherwise not be able to attend local lunches, or weekly fitness classes the ability to do so.

South Portland Food Cupboard
For the past five years, the South Portland Food Cupboard has requested funds from the CDBG Program. At its inception, the CDBG funds were used to assist with their mission to provide food to local South Portland residents. In earlier 2014 the food cupboard, was forced to move from the St. John’s church to a warehouse space on Thurney street in South Portland, this unfortunately added a sizable cost burden to the agency going from a once free space to now paying around $25,000 a year in leasing costs. As a result, the food cupboard began requesting CDBG funds to apply towards leasing cost. The committee has been very vocal and upfront with the food cupboard over the last three years with their lack of comfort towards using CDBG funds to pay for a lease. The committee has made several requests to the South Portland Food Cupboard to conduct outreach and community support to find another location that would be free to use or at a reduced rate. At this time the food cupboard, has not demonstrated a commitment to the committee that they are seeking out alternative locations and or conducting outreach to area businesses for support in finding a new space that is less of a financial burden to them. Therefore, the CDAC recommends zero funding for this project and instead applied this funds to new public service applicants.

Application Request: $20,000
CDAC Recommendation: $0

Summer Camp Scholarships
This program provides funding for South Portland youth who want to participate in a summer recreation camp but do not have the financial means to do so. This funding would subsidize between 15-20 full and partial scholarships for summer camp.

Application Request: $10,000
CDAC Recommendation: $8,000

Wheels for Kids
Memorial Middle School Outing Club advisor Matt Lutl is seeking funds to purchase seven intro level mountain bikes and seven helmets. Mr. Lutl recognized that the lack of bikes have become a barrier for program participation for those students that are unable to afford a bike of their own. Memorial Middle School outing club will own and maintain the bikes and make them available to low-income students to use during club outings.

Application Request: $2,000
Staff Recommendation: $2,000
ADMINISTRATION & PLANNING (Limited to 20% Cap):

Program Administration
The administration of the CDBG Program includes expenses for staff time, telephone, utilities, supplies, travel, advertising, and technology. At the end of the fiscal year, excess funds that are not expended on administration costs are reallocated to other eligible projects.

Staff Recommendation: $50,000
CDAC Recommendation: $50,000

Planning
There were no planning grants this year. Planning funds were reallocated to the public facilities, infrastructure and housing.

Re: Excess CDBG Funds

I am requesting that any excess 2018-19 Community Development Block Grant funds be used towards the Lower Main Street Project. If available, these funds will lower the amount the Town will need to borrow for the project lessening the burden on the taxpayers. The Town is required to take formal action on the use of excess funds should any materialize.

ASSURANCES - CONSTRUCTION PROGRAMS

Public reporting burden for this collection of information is estimated to average 15 minutes per response, including time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding the burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to the Office of Management and Budget, Paperwork Reduction Project (0348-0042), Washington, DC 20503.

PLEASE DO NOT RETURN YOUR COMPLETED FORM TO THE OFFICE OF MANAGEMENT AND BUDGET. SEND IT TO THE ADDRESS PROVIDED BY THE SPONSORING AGENCY.

NOTE: Certain of these assurances may not be applicable to your project or program. If you have questions, please contact the Awarding Agency. Further, certain Federal assistance awarding agencies may require applicants to certify to additional assurances. If such is the case, you will be notified.

As the duly authorized representative of the applicant, I certify that the applicant:

1. Has the legal authority to apply for Federal assistance, and the institutional, managerial, and financial capability (including funds sufficient to pay the non-Federal share of project costs) to ensure proper planning, management, and completion of project described in this application.

2. Will give the awarding agency, the Comptroller General of the United States and, if appropriate, the State, the right to examine all records, books, papers, or documents related to the assistance, and will maintain a proper accounting system in accordance with generally accepted accounting standards or agency directives.

3. Will not disclose, modify, alter, or change the terms of the real property title or other interest in the site and facilities without permission and instructions from the awarding agency. Will record the Federal awarding agency directive and will include a covenant in the title of real property acquired in whole or in part with Federal assistance funds to assure non-discrimination during the useful life of the project.

4. Will comply with the requirements of the assistance awarding agency with regard to the drafting, review and approval of construction plans and specifications.

5. Will provide and maintain competent and adequate engineering supervision at the construction site to ensure that the complete work coincides with the approved plans and specifications and will furnish progress reports and such other information as may be required by the assistance awarding agency or State.

6. Will initiate and complete the work within the applicable time frame after receipt of approval of the awarding agency.

7. Will establish safeguards to prohibit employees from using their positions for a purpose that constitutes or presents the appearance of personal or organizational conflict of interest, or personal gain.

8. Will comply with the Intergovernmental Personnel Act of 1970 (42 U.S.C. §§4172-4176) relating to prescribed standards for personnel systems for programs funded under one of the 19 statutes or regulations specified in Appendix A of OPM's Standards for a Merit System of Personnel Administration (5 C.F.R. 500, Subpart F).

9. Will comply with the Lead Based Paint Hazard Prevention Act (42 U.S.C. §§400I et seq.) which prohibits the use of lead-based paint in construction or rehabilitation of residential structures.

10. Will comply with all Federal, State, and local laws, regulations, policies, and guidelines relating to non-discrimination. These include but are not limited to: (a) Title VI of the Civil Rights Act of 1964 (P.L. 88-352), which prohibits discrimination on the basis of race, color, or national origin; (b) Title IX of the Education Amendments of 1972, as amended (20 U.S.C. §§1681, 1683, and 1685-1686), which prohibits discrimination on the basis of sex; (c) Section 504 of the Rehabilitation Act of 1973, as amended (20 U.S.C. §794), which prohibits discrimination on the basis of handicap; (d) the Age Discrimination Act of 1975, as amended (42 U.S.C. §§9101-9107), which prohibits discrimination on the basis of age; (e) the Drug Abuse Office and Treatment Act of 1972 (P.L. 92-256), as amended relating to nondiscrimination on the basis of drug abuse; (f) the Comprehensive Alcohol Abuse and Alcoholism Treatment Act of 1970 (P.L. 91-615), as amended, relating to nondiscrimination on the basis of alcohol abuse or alcoholism; (g) §505 and §507 of the Public Health Service Act of 1942 (42 U.S.C. §§295d-3 and 295h-3), as amended, relating to confidentiality of alcohol and drug abuse patient records; (h) Title VIII of the Civil Rights Act of 1968 (42 U.S.C. §§3601 et seq.), as amended, relating to nondiscrimination in the sale, rental, or financing of housing; (i) any other nondiscrimination provisions in the specific statute(s) under which application for Federal assistance is being made; and (j) the requirements of any other nondiscrimination statute(s) which may apply to the application.
11. Will comply, or has already complied, with the requirements of Titles II and III of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (P.L. 91-646) which provide for fair and equitable treatment of persons displaced or whose property is acquired as a result of Federal and federally-assisted programs. These requirements apply to all interests in real property acquired for public purposes regardless of Federal participation in purchases.

12. Will comply with the provisions of the Habit Act (5 U.S.C. §§1501-1505 and 1267a-726b) which limit the political activities of employees whose principal employment activities are funded in whole or in part with Federal funds.

14. Will comply with flood insurance purchase requirements of Section 107(a) of the Flood Disaster Protection Act of 1973 (P.L. 93-284) which requires recipients in a special flood hazard area to participate in the program and to purchase flood insurance if the total cost of insured construction and acquisition is $10,000 or more.

15. Will comply with environmental standards which may be prescribed pursuant to the following: (a) institution of environmental quality control measures under the National Environmental Policy Act of 1969 (P.L. 91-190) and Federal Order 105-1 (FED-105), (b) notification of violating facilities pursuant to EO 11738, (c) protection of wetlands pursuant to EO 11990, (d) evaluation of flood hazards in floodplains in accordance with EO 11989, (e) assurance of project consistency with the approved State management program developed under the Coastal Zone Management Act of 1972 (16 U.S.C. §§1450 at sec.), (f) continuity of Federal actions in State (Clean Air) Implementation Plans under Section 106(c) of the Clean Air Act of 1965, as amended (42 U.S.C. §§7410 at seq.), (g) protection of endangered species under the Endangered Species Act of 1973, as amended (P.L. 93-205).

18. Will cause to be performed the required financial and compliance audits in accordance with the Single Audit Act Amendments of 1984 and OMB Circular No. A-133, "Audits of States, Local Governments, and Non-Profit Organizations."

19. Will comply with all applicable requirements of the Federal laws, executive orders, regulations, and policies governing the program.

20. Will comply with the requirements of Section 108(c) of the Trafficking Victims Protection Act (TVPA) of 2000, as amended (22 U.S.C. §7104) which is a grant/award recipient or sub-recipient from (1) Engaging in severe forms of trafficking in persons during the period of time that the award is in effect (2) Procuring a commercial sex act during the period of time that the award is in effect or (3) Using forced labor in the performance of the award or subawards under the award.

The Entitlement Community certifies that:

Citizen Participation — It is in full compliance and following a detailed citizen participation plan that satisfies the requirements of 24 CFR 91.105.

Community Development Plan — Its consolidated plan identifies community development and housing needs and specifies both short-term and long-term community development objectives that have been developed in accordance with the primary objective of the CDBG program (i.e., the development of viable urban communities, by providing decent housing and expanding economic opportunities, especially for persons of low and moderate income) and requirements of 24 CFR Parts 91 and 570.

Following a Plan — It is following a current consolidated plan that has been approved by HUD.

Use of Funds — It has complied with the following criteria:

1. Maximum Feasible Priority. With respect to activities expected to be assisted with CDBG funds, it has developed its Action Plan so as to give maximum feasible priority to activities which benefit low- and moderate-income families or aid in the prevention or elimination of slums or blight. The Action Plan may also include CDBG-assisted activities which the grantee certifies are designed to meet other community development needs having particular urgency because existing conditions pose a serious and immediate threat to the health or welfare of the community, and other financial resources are not available (see Optional CDBG Certification).

2. Overall Benefit. The aggregate use of CDBG funds, including Section 108 guaranteed loans, during program years 2016 - 2018 [a period specified by the grantee of one, two, or three specific consecutive program years], shall principally benefit persons of low and moderate income in a manner that ensures that at least 70 percent of the amount is expended for activities that benefit such persons during the designated period.

3. Special Assessments. It will not attempt to recover any capital costs of public improvements assisted with CDBG funds, including Section 108 loan guaranteed funds, by assessing any amount against properties owned and occupied by persons of low and moderate income, including any fee charged or assessment made as a condition of obtaining access to such public improvements.

However, if CDBG funds are used to pay the proportion of a fee or assessment that relates to the capital costs of public improvements (assisted in part with CDBG funds) financed from other revenue sources, an assessment or charge may be made against the property with respect to the public improvements financed by a source other than CDBG funds.

In addition, in the case of properties owned and occupied by moderate income (not low-income) families, an assessment or charge may be made against the property for public improvements financed by a source other than CDBG funds if the jurisdiction certifies that it lacks CDBG funds to cover the assessment.

Excessive Force — It has adopted and is enforcing:

1. A policy prohibiting the use of excessive force by law enforcement agencies within its jurisdiction against any individual engaged in non-violent civil rights demonstrations; and

2. A policy of enforcing applicable State and local laws against physically barring entrance to or exit from a facility or location which is the subject of such non-violent civil rights demonstrations within its jurisdiction.
Compliance with Anti-discrimination laws -- The grant will be conducted and administered in conformity with title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d) and the Fair Housing Act (42 U.S.C. 3601-3619) and implementing regulations.

Lead-Based Paint -- Its activities concerning lead-based paint will comply with the requirements of 24 CFR Part 35, Subparts A, B, J, K and R.

Compliance with Laws -- It will comply with applicable laws.
