### **CUMBERLAND COUNTY COMMISSIONERS DECLARE 9/11 RESOLUTION**

Cumberland County, ME-

By unanimous consent, the Cumberland County Commissioners declared a resolution supporting the nationwide effort of the National Association of Counties (NACO) for a National Moment of Remembrance of the 10<sup>th</sup> Anniversary of September 11, 2001. The effort, brought forth by US Senator Frank Lautenberg of New Jersey, asks all Americans to take a moment to remember at 1PM (1300hrs), Eastern Daylight time, Sunday, September 11, 2011.

In his request, the Senator said: "This year we mark the 10th anniversary of the terrorist attacks of September 11, 2001, a day that changed America forever. To commemorate this occasion and pay tribute to those we lost, I introduced the enclosed resolution establishing a national Moment of Remembrance at 1:00 p.m. Eastern Daylight Time on September 11, 2011. In an overwhelming demonstration of unity, the Senate unanimously passed the resolution with the co-sponsorship of all 100 United States Senators. I write to request that you join us in making this Moment of Remembrance a symbol of solidarity throughout your county and across the country."

NACO is encouraging its members across the country to participate and encourage their citizens to remember this fateful day in our history. The Cumberland County Commissioners put forth the following resolution, to do their part to encourage Cumberland County and all of Maine to participate in this moment of remembrance, this Sunday, September 11 at 1 PM.
