### LOCAL RESOURCE CONSERVATION AND DEVELOPMENT MEETING TO BE HELD

The Threshold To Maine Resource Conservation and Development (RC&D) Area will be holding a local County meeting for RC&D Sponsors and the general public on Monday, January 10, 2011 from 10:00 AM to 12:00 PM located in the Conference Room at the Greater Portland Council of Governments in Portland.

The Resource Conservation and Development Program is a program of the U.S. Department of Agriculture managed locally by the Threshold To Maine Council. The purpose of the meeting will be to discuss issues facing Cumberland County and how RC&D might be able to help with those issues.

The RC&D Council is a grass roots organization made up of representatives from each of eleven sponsors. The Sponsors in Cumberland County include the Cumberland County Soil and Water Conservation District, Cumberland County Commissioners, and the Greater Portland Council of Governments. The program provides technical assistance to communities, non-profits, and units of government on natural resource issues.

If you have questions about the meeting please contact the Threshold To Maine office at 743-5789 x113, or email [mark.hews@me.usda.gov](mailto:mark.hews@me.usda.gov) If you need an accommodation, please notify Mark Hews, RC&D Coordinator at 207-743-5789 x113 by Friday, January 7, 2011. The USDA and Threshold To Maine are an equal opportunity provider and employer.
